Municipal Software Welcomes Newark, Delaware as a New CityView® Client

VICTORIA—Municipal Software Corporation, a leading developer of local government business process automation software and a wholly owned subsidiary of Municipal Solutions Group, Inc. (TSX: MSM), announced today that the City of Newark, DE (Pop. 27,870) purchased CityView Enterprise in order to maintain their permits/licensing functions, planning/zoning and GEO/GIS mapping systems.

The City of Newark will rely on Municipal Software Corporation to complete the initial install of the software and subsequent linking of CityView Enterprise with other systems. CityView Enterprise is powerful automation software that is designed specifically for local government and easily converts paper systems and business processes into a computerized system without costly and time-consuming programming.

Rob Bennett, President of Municipal Software Corporation commented, "We are happy to welcome Newark to our growing family of clients on the East Coast and across the USA! We are proud that the City has the confidence in our product and we look forward to a long term relationship with them."

The City of Newark, Delaware is located in New Castle County in the Northwest corner of the state. The City of Newark is a key economic, industrial and academic center in the state and is home to the University of Delaware. The city's largest manufacturer is Daimler-Chrysler, which produces a line of sport utility vehicles including the Dodge Durango. Historically, Delaware was the first state to sign the constitution. Today it is the home of tax-free shopping, Dover Air Force Base and beautiful ocean beaches.
