## **MUNICIPAL SOLUTIONS GROUP INC ANNOUNCES RESTRUCTURING AND NEW APPOINTMENTS**

**Victoria, BC, June 14, 2007** – Municipal Software (TSX-V:MSZ) announces that it has implemented a restructuring that will significantly reduce its operating expenses while maintaining the company’s high standards of customer service and support. Seven positions have been eliminated in management, administration and development.

“This restructuring will significantly improve the profitability of our company,” said Iain McLean, CEO of Municipal Software. “However, we’ve taken steps to ensure that these changes will not compromise the level of service we deliver to our clients and their projects”.

The Company also announces several new appointments.

Clive Daniel, formerly Vice President of Finance, has been promoted to Chief Financial Officer. “Clive has made an exceptional contribution to Municipal Software and this promotion recognizes the quality and stability he brings to the financial administration of the Company,” said Iain McLean.

Mel Couvelier has stepped down as Chairman and a Director of the Company. “Mel played a key role in the development of Municipal Software and guided the company through major changes. We thank him for his substantial contribution” said David Roberts, who was elected the new Chairman of the Company by the Board of Directors.

Bart Copeland has joined the Board of Directors. Mr. Copeland brings 20 years of business experience building companies while growing revenues, shareholder value and profits. He is currently President and CEO of ActiveState, the leading provider of tools and services for dynamic languages. Mr. Copeland has also served as Interim CEO of iMessaging Systems, Inc., a New

Hampshire voice response software company; President & CEO of ReCombo, Inc., an electronic signature company; and President & CEO of PhotoChannel Networks Inc., an online image service.

## **About Municipal Solutions Group Inc.**

Municipal Solutions Group Inc was formed in January 2002 as the public financing arm for Municipal Software Corporation.

## **About Municipal Software Corporation**

Municipal Software Corporation (TSX-V:MSZ) provides easily installed, packaged software solutions that manage the everyday business processes of local governments. The solutions are based on 25 years of experience with a product platform that easily adapts to the changing practices of clients. Branded under the CityView name, the company provides a number of out-of-the-box solutions for automating practices in Property Information, Permits and Inspections, Planning, Code Enforcement, Licensing and Cashiering. CityView Application Builder is a set of application development tools that allows the client to develop unique applications to match specific needs. The company recently launched web-based services under the Local Government Manager™ name for jurisdictions looking for the convenience and cost effectiveness of a hosted application. Municipal Software offers a complete range of services from training and customer support to custom development for unique applications.
