MUNICIPAL SOLUTIONS GROUP INC. GRANTS INCENTIVE STOCK OPTIONS

Victoria, BC, June 18, 2007 – Municipal Solutions Group, Inc. (TSX-V:MSZ), a provider of business process automation solutions for government, granted incentive stock options to Directors and Officers of the Company to purchase a total of 405,000 common shares of the Company under the Company's 2005 Stock Option Plan (the "Plan") with an expiry date of June 17, 2012 and an exercise price of \$0.34 per share. Options awarded to Directors totaled 60,000 and, as permitted under the terms of the Plan, these options have been vested immediately. All other options vest over four years in even amounts every six months.

About Municipal Solutions Group Inc.

Municipal Solutions Group Inc was formed in January 2002 as the public financing arm for Municipal Software Corporation.

About Municipal Software Corporation

Municipal Software Corporation (TSX-V:MSZ) provides easily installed, packaged software solutions that manage the everyday business processes of local governments. The solutions are based on 25 years of experience with a product platform that easily adapts to the changing practices of clients. Branded under the CityView name, the company provides a number of out of the box solutions automating practices in Property Information, Permits and Inspections, Planning, Code Enforcement, Licensing and Cashiering. CityView Application Builder is a set of application development tools that allows the client to develop unique applications to match specific needs. The company recently launched web-based services under the Local Government Manager™ name for jurisdictions looking for the convenience and cost effectiveness of a hosted application. Municipal Software offers a complete range of services from training and customer support of its suite of products to custom development for unique applications.

Forward-Looking Statements

Certain statements in this news release are not historical and may constitute forward-looking statements reflecting Municipal Solutions Group Inc's current expectation in the local government sector. These statements are subject to important risks, uncertainties and assumptions concerning future conditions that may ultimately prove to be inaccurate and may differ materially from actual events or results.
